You Made It!

Did you laugh? Did you smile? Did you chuckle? Did you groan? Be **honest**.

If you didn't laugh - **congratulations**. You don't a funny bone in your entire body. Find a dusty museum somewhere and plant your lifeless carcass on an empty shelf.

If you did laugh - remember the bet. Please invite at least one unsuspecting friend, family member or colleague to this challenge.

You are the **True Winner**. Because...

Laughter is timeless...

Laughter is contagious...

Laughter is the best medicine...

Laughter is good for the soul...

But perhaps, most important of all, laughter keeps us sane when everything around us seems to be falling apart. Besides, without laughter, this world would be a much sadder place and way too quiet.

The author, when compiling these Funny Quotes, used many different resources. One of the biggest facilitators for this collection has been [Pinterest](#). This popular image sharing site was central. Mainly because without Pinterest this collection of Quotes would not exist.

Also, I would like to mention two other helpful resources: PicMonkey and Tailwind. [PicMonkey](#) is a very powerful photo editing and graphic design software. [Tailwind](#) is a powerful scheduling and marketing tool for Instagram and Pinterest. Yes, these are affiliate programs which make Free collections like this one possible.
